COMMUNICATION AND POTENTIAL LEADERSHIP (CAP.) CAP. EVENT

Communication and Potential Leadership (C.A.P.) is designed to encourage students to broaden their scope of communication and leadership abilities. CAP. is not a specific event that students enter but rather a culmination of all points earned.

Requirements - Contestants enter at least one event in each of the four following categories:

1. Music Performance (Instrumental or Vocal)
2. Speaking Performance (e.g., Preaching, Poetry Recitation, Dramatic Monologue, One- Act Play)
3. Writing (Poetry, Essay, Short Story, or Science Projects)

A student may enter more than one event in a C.A.P. category (e.g., piano solo and vocal duet). The event with the highest place will be used to calculate the CAP score. It is not necessary to declare which events are CAP. provided there is at least one entry in each of the four categories.

Winners will be determined in the following manner. Entries with the highest place in each of the four categories will earn points based on their place.

1st place = 15 points	6th place = 10 points	11th place = 5 points
2nd place = 14 points	7th place = 9 points	12th place = 4 points
3rd place = 13 points	8th place = 8 points	13th place = 3 points

- For the 400 m relay, a team shall consist of 4 students, each with their own assigned lane.
- In the 100-meter dash, the 200-meter dash, the 400-meter dash, and the 400-meter relay, a runner shall run within their assigned lane and shall not step over their line for three or more consecutive steps with either or both feet. During and after the race, all runners must remain in their lanes.
- All field measurements are to be recorded to the nearest ¼ inch. Times are to be recorded to the nearest 1/10 second.
- In the events involving measuring, all ties are to be decided the following way: Ties by identical measurements shall be separated by the second-best performance of the tying contestants. If a tie still exists, it shall be decided by the third performance.
- Spectators and coaches are not allowed on the infield.

Soccer Kick

- All contestants must use a standard leather soccer ball.
- The ball must be properly inflated and will be checked by the Event Director.
- Athletic shoes are required. Hard-toed shoes are not permitted.
- A kicking tee must not be used.

- A successful kick passes in between the goal posts without touching the ground. It must be in flight when it passes over the goal line.
- Contestants are permitted two warm-up kicks.
- Each contestant is permitted three kicks only, unless a kick-off is needed to break a tie.
- Contestants can take no more than two approach steps.
- Contact with the ball constitutes a kick.
- There are three distance lines to kick from: 5 yards, 10 yards, and 15 yards. Each distance marks a different point value. The further the distance, the more points are earned (5 yards = 2 points, 10 yards = 4 points, and 15 yards = 6 points). Contestants select the distance from which they wish to kick the ball; however, once a ball is kicked from a certain distance, the contestant cannot be moved closer towards the goal posts. (i.e., a contestant chooses to take his first kick from the 5-yard distance. For his second kick, he moves to the 15-yard line. For his third kick, he must kick from the 15-yard line once again because he cannot move forward.)
- 1st, 2nd, and 3rd place winners are determined by the highest number of accumulated points from all three of their attempts.

400-Meter Relay

AGES 8-9, AGES 10-12

MALE

AGES 8-9, AGES 10-12

FEMALE

- A 400-meter relay team shall consist of 4 runners, each running approximately 100 meters.
- Relay runners must be dressed in uniform. All four runners must be dressed alike but have different identification numbers or colours.
- Each member must run at least one, but no more than one, leg of the relay.
- A baton must be carried and passed, not thrown, in succession to each runner. The baton must not be more than twelve inches in length and must be provided by the team.
- In each relay, a runner must pass the baton to the next runner inside the 20-meter passing zone. Any passing of the baton before the baton reaches the zone or after it goes beyond the zone disqualifies that team.
- After passing the baton, runners must continue in their lane so as not to interfere with others.
- The baton must be carried by hand.
- If any member of a relay team runs any part of the race without a baton, that team shall be disqualified.
- If a baton is dropped, it must be recovered by the person who dropped it, without interfering with other runners. If a baton is dropped in the passing zone, either runner of the same team in the zone may recover the baton.
- Disqualification occurs for interfering with another runner.
- A member of a relay team may not run outside the passing zone to take the baton from a fallen member.

- A runner who is to receive the baton may start their running no more than 10 meters outside the 20-meter passing zone. A runner may also begin their running anywhere inside the 20-meter passing zone.
- In the 400-meter relay, the runners must remain within their lanes throughout the race.

Section VI

Music

The intent of music competition is to encourage students to apply their musical talents to Christian values. Competition arrangements are to be Christian or patriotic rather than secular. Classical music which conveys a Christian theme is acceptable. Jazz, rock, Christian rock, Contemporary rock, Contemporary Christian, or country music is not acceptable. **(Ages 8-9 and 10-12)**

Vocal JR019

Please note the various categories of vocal music events on the registration form. If using recorded music for vocal performances, no professional recordings are allowed; only recordings of piano accompaniment will be admissible. Remember that two copies of music and two copies of the Judge's Form for Vocal Music are necessary for the judges.

Large Ensemble: 16 + people

Small Ensemble: 5-15 people

Instrumental JR020 and Keyboard JR021

Please note the various categories of instrumental music events on the registration form. The arrangements don't need to be memorized; however, points will be given if they are memorized. Remember that two copies of music and two copies of the Judge's Form for Instrumental Music (in Miscellaneous Instrument events) or for Keyboard (for Piano events) are necessary for the judges.

Instrumental Ensemble JR020

5 or more contestants with instruments – all the same OR any variety —Time limit: 5 minutes. The time limit for the entire setup and performance will be twenty (20) minutes. There may be an adult directing. A piano played by a contestant may be one of the instruments of the ensemble, OR piano accompaniment is permitted (non-contestant) and will not count as one of the instruments - if piano is accompaniment only, please note such on the Judge's Form. Contestants may use musical scores. Percussion is permitted.

Section VII Platform

General

Contestants in platform events must be suitably dressed; sports jackets are not necessary, but they do add a touch of class to the overall appearance. Any costumes used must meet A.C.E. standards and be approved before the performance. Remember, poise, self-confidence, eye contact, and delivery are very important in platform performances. Each platform performance must have two copies of the piece for the judges.

Dramatic Monologue (Ages 8-9 and 10-12) JR022

Open to male and female contestants. A participant characterizes an individual, expressing that individual's thoughts, emotions, and reactions in a particular set of circumstances or events relevant to that individual. This presentation must be in the first person and can be from a selected work or written by the student or supervisor. The intent is to convey dramatic skills in which training in acting and voice is displayed. Christian or historical emphasis is a must, and costumes, hand props, or a single piece of furniture may be used. Please, no scenery. The monologue must be memorized and be contained within a 1-3 minute time limit. Contestants need two copies of the Judge's Form for Dramatic Monologue.

Expressive Reading (Ages 8-9 and 10-12) JR023

Open to male and female contestants. Expressive reading is a selected passage from the Bible, chosen and rehearsed (does not need to be memorized), as it is to "read" before an audience. The emphasis will be on voice control, reading, pronunciation, enunciation, expression, and confidence before a large group. The audience must be acknowledged throughout the passage by eye contact and smiles. The passage must be a minimum of 12 verses and a maximum of 20. Contestants need two copies of the Judge's Form for Expressive Reading.

Poetry Recitation (Ages 8-9 and 10-12) JR024

Open to male and female contestants. The participant chooses a poem to recite by memory, using all the skills of a good dramatic presentation. It must be Biblical or Christian heritage or high moral content. No costumes, props, or singing allowed. Time limit is 1-3 minutes. Contestants need two copies of the Judge's Form for Poetry Recitation.

One-Act Play (Ages 8-9 and 10-12) JR026

Remember, space is limited, so please choose your props and scenery accordingly. No scenery is necessary. Contestants must present an original play (written by students and/or sponsor) or an adaptation of a play (having given proper credit to the original author). Time limit is 3-5 minutes. The contents of the play should have a Biblical theme or have an appropriate moral or Christian application. Contestants need two copies of the Judge's Form for One-Act Play.

Illustrated Storytelling (Ages 8-9 and 10-12) JR027

The contestant tells, from memory, a Bible-based story. The script must have the basic elements of a story – beginning, plot, climax, and conclusion. It must also have an appropriate moral or Christian application. The storyteller may use such items as a flannel graph, visual aid, costume, sound effects, accompaniment, or any “prop” that enhances story material. The time limit is up to 5 minutes. Only two participants per entry. Contestants need two copies of the Judge’s Form for Illustrated Storytelling.

Puppets and Marionettes (Ages 8-9 and 10-12) JR025

All scripts must be memorized so that participants can concentrate on general movements rather than reading a script under poor conditions at best. Puppet scripts should have a Biblical theme or an appropriate moral or Christian application. Scripts must be tastefully presented, avoiding slang insinuation, questionable language, or references to television and worldly practices such as movies, dancing, or mixed swimming. Participants must provide puppet theatres. Arrangements can be made to use or borrow other schools’ theatres, but the use of stationary barricades such as pianos or chairs will not be accepted. The time limit is up to 5 minutes. Entries may be up to four participants. Contestants need two copies of the Judge’s Form for Puppets.

Group Bible Speaking JR030

This Group Bible speaking is an interpretation by a spoken choral group of 5-30 contestants on a Bible passage of your choice. One Junior entry is allowed per school. The group will create an atmosphere by using tone of voice, inflections, pause, gesture and movement (utilizing the space available). No costumes, props, or singing allowed. The passage must be memorized. The majority of the passage is spoken chorally, but lines may be spoken by a section of the group or by solo voices. Sound effects created on stage by the contestants may be added. The presentation time limit is 2 minutes minimum, six minutes maximum. A .5-point deduction for any portion of thirty (30) second increments outside the allotted time. Passages must be in the King James Version. Please provide 2 copies of the passage from the version you use. Please provide 2 copies of the Group Bible Speaking Judge’s Form JR030.

Oratory (Ages 8-9 and 10-12) JR104

The contestant chooses a topic and presents an eloquent and effective speech. It is a speech that is directed to the emotions to persuade an audience of the orator’s viewpoint. The oratory should have a good thesis.

1. The content of the speech must be original and prepared by the contestant. Any sources used for reference and supporting examples must be properly cited. Plagiarism of any kind will automatically disqualify the contestant.
2. An outline (typed, double-spaced) is to be presented to the judges. It should include a title, thesis statement, main points, subpoints, and a list of works cited.

3. Appropriate topics include evangelistic, inspirational, Biblical, Christian growth, patriotic, persuasive, or historical topics. An orator may also choose to discuss a legal issue, citing specific court cases to support his opinions.
4. Time limit for performance is four (4) minutes. If the competition piece exceeds the 4-minute time limit, the contestant will receive a .5-point deduction for any portion of thirty (30) second increments. (For example, a piece timed at 4:12 would receive a half-point deduction from the total score. A piece of 4:42 would receive a deduction of a full point from the total score.)

Preaching (Male 10-12 only)

A contestant must prepare and deliver an original sermon not to exceed five (5) minutes in length. If the competition piece exceeds the five (5) minute time limit, the contestant will receive a .5-point deduction for any portion of thirty (30) second increments outside the allotted time. (For example, a piece timed at 5:12 would receive a half-point deduction from the total score. A piece of 5:42 would receive a deduction of a full point from the total score.) The sermon may be evangelistic, teach Biblical truth, or encourage Christian growth. Each sermon will be judged on Biblical content, outline, and effective delivery, as well as on the general guidelines given under "Platform Division." Grammar is very important!

BRING TO CONVENTION AND TURN IN AT MASTER CONTROL

JR031

Judging is the type of job that is required if we are to have a Convention. There is an area that you can help with, even if you are not an expert. There are definite guidelines for each category, which you can ask your school about to familiarize yourself with before arriving at Convention. We certainly need your help to ensure that the students are rewarded for their efforts.

Judge Volunteer Form

We need all sponsors to volunteer as judges. PLEASE complete this form and return it to us with your registration form. If, for any reason, you will not be at the Convention for the entire time, please write a note on this form.
